

Dear Arnold Mondadori =

For many years now I have been associated with you, and during this time I have had deep appreciation for the manner in which my books have been published by you and presented to the Italian people.

I have always had great admiration for my publishers abroad, and I would like to say to you that I think the publishing house of Arnoldo Mondadori Editore is one of the outstanding publishers with whom I have had the good fortune to be associated.

In time to come, I shall look forward to the continuation of our simpatias.

With my very best wishes at this time of your cinquantenario, I am,

September 1, 1957
San Francisco,
California.

Sincerely,
Eugene Caldwell
