

Among all my foreign publishers I count
 the house of Mondadori as one of the finest
 representatives any author can wish to have.
 For almost thirty years I am most happily
 connected with this firm, not only through
 business, but also through my personal contact
 with the dynamic and inspiring head of the
 firm, Arnaldo Mondadori.

I add my fondest wishes to all those
 who celebrate a landmark in Italian
 book publishing; the Cinquantenario
 della Arnoldo Mondadori Editore.
